Subject: ELIS - Screening (1 of 5)
ELIS SEIS - Screening PRE-DRAFT (12May13).pdf

Hi Jeannie, Joe, George,

For tomorrow's conference call (10:00am), please note the following:

1. **Screening (Draft):** Attached here is the pdf of the DRAFT Powerpoint presentation for screening, for discussion tomorrow.
2. **Screening maps:** Keys maps that entered into the ppt are sent as four separate emails, following hereafter. They have a bit higher resolution than the maps clipped into the PPT.
3. **Powerpoint for PO Study:** Jim will send a separate email with the DRAFT slides of the PO study presentation, for discussion tomorrow as well.
4. **Call in Information** (just a reminder; same as invite sent Thursday):

For **Audio:** call phone: (862) 217-2150

Conference ID: 2402349

For **Webinar** portion: <https://meet.LouisBerger.com/bhay/QG20NTZ0> (the system uses Microsoft Lync)

5. **Suggested Agenda for tomorrow's call:**

1. Discuss goal of Cooperating Agency Meeting

a. Develop agenda

Suggestion (??):

- Introduction/Goal of Meeting (Jeannie)
- Screening (Bernward, with input from Amy, Jim, and Frank)
- Alternative Sites – Discussion (ALL, using screening maps and other figures)
- Physical Oceanography Study – Status (Jim)
- Data gaps
- Field Work

b. Logistics Issues

- Webinar / Partial face-to-face meeting?
- Hosting
- Handouts (pre-meeting)

2. Review Presentation/discuss Alternative sites

3. Data Gaps

4. Fact Sheet

5. Minutes from last Cooperating Agency Meeting: To be distributed?

6. Other issues

Thanks,

Bernward
